The Beit Trust Administrator,
Newlands,
Harare,
ZIMBABWE

Dear Madam,

RE: AUTHORITY TO PUT THE BUILDING AT MUKINGE DAY SECONDARY SCHOOL ON THE WEBSITE FOR THE BEIT TRUST

The Beit Trust was generous enough to consider Mukinge Day Secondary School to fund the construction of the 1X3 classroom block. This has been fully funded as promised and I glad to report that the works are done. This has increased the number of classrooms from 8 to 11, which will enable the school to enroll more pupils and have double stream from grade 8 to 12. In addition we have decided to turn one of the new classrooms into a computer laboratory.

Therefore I now write to authorize the Beit Trust to put the 1X3 classroom on their website. I further send more pictures of the same building and the old buildings at our school just to show how much difference the funding from The Beit Trust has had on the school and its appearance.

Thank you once more

Yours Faithfully,

NKOLE EMMANUEL
